

SCHOOL BUS SAFETY

Do You Know When To Stop For A School Bus?

Motorists must always stop when they are traveling behind a bus with flashing amber or red lights. When they are approaching a stopped school bus with flashing red lights from the opposite direction, drivers must stop if they are on a two-lane road.

If motorists are on a four-lane (or more) highway or private road and meet a stopped school bus, they do not have to stop. However, drivers should slow down and proceed with caution.
